Termination (office use only)		
Reason for termination:	New application received	Seasonal disconnect
Non-payment of utilities	Termination requested	Date to terminate on:

Agreement

I/We affirm that the information contained in this application is correct. EPCOR (the "Utility") reserves the right to request additional information to confirm the level of service required. I/We understand that the terms of service require payment in full of all accounts within 21 days (unless otherwise stated in writing) of invoice date and I/We understand that interest on overdue accounts shall be at the rate stipulated in the Utility's tariff or if no rate is stipulated at a rate equal to the lesser of 1.5% per month (19.6% compounded annually) and the maximum legal interest rate allowable. The applicant(s) consent(s) to the Utility and EPCOR (1) using the applicant's personal information (including financially related information) when it is necessary in order to serve the applicant as a customer, to meet legal and regulatory requirements, and for internal audit, statistical and record-keeping purposes; and (2) obtaining any reports, including any credit, background and other personal information about applicant that the Utility and EPCOR deems necessary from any third parties including credit bureaus and reporting agencies or other credit grantors, and consents to the disclosure and exchange of such information by and among Utility and EPCOR and such third parties (including credit agencies and bureaus and other credit grantors) for the purposes of evaluating the applicant's eligibility for services that are requested by applicant. The undersigned, by applying for service and signing this application, acknowledges an obligation to pay for services provided by the Utility and EPCOR in accordance with this application and all applicable terms and conditions and rates and charges and to be bound by and comply with all applicable terms and conditions and rates and charges as amended or repealed from time to time and available for inspection at EPCOR's office in Calgary, Alberta.
